The General Secretary to the
Government of Mysore.

Sir,

I have the honor to submit herewith the Budget Estimates of Receipts and Expenditure under District Funds of the Local Fund Circle of the Bangalore District for the year 1896-97 together with a copy of the Proceedings of the Board dated 27th Ultimo.

2. As approved by the Board, an increase of Rs 5/- to the pay of the Statistical Clerk and of Local Fund Clerk is entered in the Budget. Their present pay is Rs 20/- and 15/- respectively. The work in this District is not less than in Kolar, where the pay of these Officials has been raised to Rs 25/- and 20/- respectively

Vide Government Proceedings No.
15100-1 dated 13th March 1894. The
L.F. 386-92
work in the Local Fund Branch has
considerably increased and the pay
now allowed is inadequate. The
pay attached to the post of Maramat
Sumasta was lately raised by the
Chief Engineer from Rs 20/- to 25/-
Further, the living at Bangalore
is costly, as compared with the
Moffusil District Head Quarters.
Under these circumstances, I beg
that the proposed increase may
kindly be sanctioned

I have the honor to be,
Sir,
Your most Obedient Servant.

P Thurnacy
for Commissioner.

SERIAL No. 2

Letter dated 16th February 1896. No. 782. from the Deputy Commissioner of the Bangalore District, submitting the District Fund Budget estimates of the Bangalore circle for 1896-97 together with a copy of the Proceedings of the District Fund Board held on the 27th January 1896, wherein the estimates were adopted.

L 27

11544-8
L.F. 88-95 8/3/96

Order thereon.

The ~~estimate~~ Bangalore Local Fund circle ~~of Bangalore~~ for 1896-97 is estimated at Rs 70,750 against Rs 70,773, the actuals of 1894-95 and Rs 70596 the sanctioned estimate for 1895-96. The estimate includes a new item of Rs 5 under the head "Ferry collections." The name of the new ferry from which the income is expected should be ~~sanctioned~~ sanctioned stating when

Date on which it was opened, should be reported —

when and where it has been spent. The other items of receipt call for no remark.

2. Including the opening balance, the sum available for expenditure during 1896-97 is Rs 89,628 of which Rs 71,975 are proposed to be expended leaving a balance of Rs 17,653 at the end of the year.

3. Public works to be executed by D.P.W. The provision for Original works includes Rs 3000 for opening a road from Kankanhalli to Anekal and Rs 1000 for 10 stone rollers, for which estimates are stated to be under preparation. The provision will be retained, subject to the estimates being passed in the P.W.D. It should be explained whether the provision of Rs 27,185 made under "II Repairs" includes the mileage allotment of ~~District Fund roads~~ payable to the municipality of the Bangalore city for the maintenance of District Fund roads"

roads within municipal limits.

4. B Public works to be executed by Revenue Dept.

The lump sum provision of Rs 8000 made under this head is passed, subject to list of works and estimates being submitted in the usual course. How much

1 of this is for original works & how much for repairs, & some have been stated & the names of the municipal works known to be undertaken & some have also been specified

5. Civil Charges. Under the head "I Office establishment" an increase of Rs 145 (one hundred & forty five) is provided in order to meet the cost of the marginally noted items. The proposal to raise the pay of the statistical clerk and Local Fund clerk was approved by the District Fund Board, and the Deputy Commissioner supports the Board's resolution on the ground of increase of work and inadequacy of the present scale of pay. The proposal is sanctioned and the provision approved. But the new item of Rs 25 on account of contingencies will be struck

1. Increase to the salary of the Statistical clerk from Rs 20 to 25 per mensem or - - - -	Rs 60.
2. Do Do L. F. clerk from Rs 15 to Rs 20 per mensem =	60
3. Contingencies	25
Total	Rs 145.

Note.
The Dy Com also points out that in Kolar the corresponding clerks get 25 and 20.

10

with the observation that all proposals for additional establishment or increase of pay should be cleared from the subject Vth Schedule

struck out as such charges have to be met, as heretofore, from the District office contingencies.

6 III Hospitals and Dispensaries. The increase under this head is chiefly due to the provision newly made on account of the cost of the dispensary at Yelahanka, sanctioned in Government Proceedings dated 18th November 1895, No. 6072-3 X / L-722-94 X

Communication and Next month. Reduction not yet obtained as no provision needed under this head. Budget Estimates etc.

C 2. 182-95.

7. IV Midwives. Under this head, provision is made for the scholarship of only one pupil to be trained as midwife instead of 2 sanctioned in the budget for 1895-96. This accounts for the decrease in the estimate, which is passed.

8 Sweepers for travellers' Bungalows and Musafirkhanas. The provision under this head includes the pay of a ~~sweeper proposed for the Kadirkhandi travellers' bungalow~~ sweeper on Rs 5-p.m. proposed for the Kadirkhandi travellers bungalo under

under D. F. Bade Board's resolution dated 31st July 1895 and of 3 servants for the Chennapatna bungalo as well as the pay of servants for the marginally noted III class bungalos. No separate reference has been required in regard to the entertainment of a servant for the new bungalo at Kodihalli nor has the information called for in Govt Pro dated 26th November 1894. No. 8344 and 19th March 1895, No. L 79-94 No. 15-149-50 L. 79-94 in regard to the remaining servants above referred to been furnished. Pending the receipt of such separate reference and information the provision will be allowed to stand.

To

The Secretary to the Government
of Mysore
Revenue and General Departments.

Sir,

Adverting to Government Proceedings No 11544-8 dated 13th April 1896, passing orders on the District Fund Budget Estimates of this District for 1896-97, I have the honor as called for in para 1 to state that the income of Rs 5/- under "Ferry Collections" is estimated to be derived from two ferries,— one near Iggalur in Chennapatna Taluk to cross the Kadamba stream, and the other to cross the Kaveri at Ramangala in the Kankanhalli Taluk. The former had been introduced before the transfer of the village in 1882-83 from the Malavalli Taluk. The annual income varies from 3 to 6 Rs/-. It is a long established usage to collect fees at the latter place, where Rs. 1-11-11 is the expected yearly revenue. There is no record available to shew when and under what authority this Ferry was established.

2. With reference to para 3, I beg to state that the contribution payable to the

the Bangalore City Municipality is not included in Rs 27085 sanctioned for "II Repairs by P. W. D" A separate provision of Rs 6000/- has been made for this purpose under "C- Civil charges- VIII Contributions."

3. The question raised in para 8 regarding the pay of the watcher for Kodihalli Inspection Lodge has been reserved for final disposal in Government Proceedings No. V- SL-6, L-13, 176-95, 12658-9 dated 21st May 1896, after the receipt of the information therein called for from the Chief Engineer. L.T. 143-94

4. As regards the information required in Government Proceedings Nos 8344-L.T 9-94 and 15149-50 dated 26th November 1894, and 19th March 1895 respectively, I request a reference to this office No 607 dated 31 December 1895. L.T. 9.94
